Volunteer Appreciation... Ed Rand

Ed Rand volunteers once a week to call Bingo ever since his mother, Shirley, came to Evergreen Estates. His strong voice and good-natured personality makes him a favorite with all the residents.

Ed retired from Conestoga Valley School District in 2005 after 35 years of teaching High School Mathematics. He currently teaches part-time for Penn State University at the Harrisburg Campus. At Conestoga Valley he was the Head Baseball Coach for 15 years and also coached Junior High Football. For the past 35 years, Ed has been refereeing High School and Division 2/3 College Basketball. He also serves as Chairman of the Manor Township Parks and Recreation Board. In his spare time, Ed enjoys playing golf, and softball in the Lancaster Senior Modified League. The real joy in his life is his wife Beverly and his daughters; Lauren 29, Morgan 26, and Ashley 24, and of course his mother, Shirley. In August, Ed and Bev will celebrate their 30th wedding anniversary with a trip to St. Croix. In his own words; “I always look forward to Thursday Bingo. The residents at Evergreen Estates are very friendly and a lot of fun. They have a great sense of humor and truly love to play Bingo.”

Thank you, Ed, for your dedication to Evergreen Estates.

Resident Spotlight: Elma Groff

Elma was born in New Providence, PA, and lived on a farm as one of seven children.

One of her early fond memories include going to the picnic grounds.

Elma had two sisters and they raised their families within a block of each other in Lancaster's west end. They enjoyed decorating their houses together, worked together at Meadow Hills Dining House and even vacationed together with their families at Long Beach Island every summer. Elma enjoyed riding the trolley (in the early years) to Hamilton Watch Company where she

worked in the office. She was privileged to work with her best friends, all of whom recently celebrated their 90th birthdays together. In later years she worked at Schwalm Watch Dial and then at The Clothes Tree in Millersville.

Elma's husband, John, passed away 21 years ago. Son, Doug, and daughter, Jill, live nearby. Many wonderful memories were made for the grandchildren and family friends around Elma's dining room table. She enjoyed cooking, decorating and watching football – especially Joe Paterno's Penn State!

Favorite things about Evergreen include the friendly staff and residents, and beautiful, comfortable surroundings.

Staff Spotlight: Kaitlin Adams

Kaitlin was born and raised in Lancaster very near to Evergreen Estates. A favorite childhood memory is going to the Central Market every week with

her grandma. Kaitlin said, "We would park at the top of the parking garage and walk to the market to pick out flowers. Grandma always bought my favorite Swedish fish and penny candy."

Kaitlin's family includes her parents and brother who attends Messiah University and plays on the baseball team there. While in high school at Conestoga Valley, Kaitlin enjoyed all the classes in the Home Economics department. She briefly thought about going on to college to teach Home Ec before deciding to attend nursing school. After graduation Kaitlin worked at Bird-In-Hand restaurant as a server for five years.

At this time, Kaitlin loves to work out, play and coach lacrosse, go to the movies and spend time with her boyfriend. A favorite place to eat out is T.J. Rockwell's. Favorite foods include French fries and anything Mexican.

Kaitlin enjoys her work as a nurses aide at Evergreen Estates. She said, "I love the conversations with the residents and hearing stories about their past. They are so expressive with gratitude for the help they receive from us."
